Bob Garrison

Outdoor Enthusiast and Agency Director!
Direct Phone – 940.382.4700 ext.101
Email – Bob@icusa-tx.com

Bob is our Agency Director who started Insurance Connection over a decade ago. Surprisingly, his journey started with looking for Medicare insurance for his dad. When Bob realized truly how confusing insurance was, he knew he needed to start a company that put educating his clients first. Bob is a lover of traveling and often gets away from the Texas heat as much as he can! He is the father of two children and has one beautiful granddaughter. If he is not busy answering his many, many voicemails, you can often find him running, skiing or hiking somewhere far from the heat.

Elisa is originally from Chicago and graduated from Hillsdale College as well as from UT Arlington with a Masters in Social Work. Elisa is married to Ben, a firefighter, and is the mother of two adorable daughters! Elisa is a lover of cooking, especially with her two girls, and Pilates. When she's not chasing her daughters around the house, you can find her curled up on the couch, binge watching a Netflix show, with a well-deserved glass of wine.

Jessica is our Personal Lines expert, who enjoys working in insurance because of its constantly moving parts and service-oriented focus. She is an Oklahoma native, but grew up in Dallas and graduated from the University of North Texas. She moved back to Denton when she married her husband and just came back to work after having her first child, a sweet baby boy! We missed her hardworking and easygoing self, and we are so thrilled to have her back in the office. Jessica loves spending time outdoors and hanging out with her family, friends or her many animals.
